GAMES

## GAME CHECK OUT OVERVIEW

Dear Family,

Thank you for checking out the South of the Sahara MathMINDs GAMES created by MIND Research Institute.

For the duration of the two week check out, you received a set of 3 different games. Some of them you might have already played at the Family Math Night.

To learn more about the games, view this video: [bit.ly/family-math-intro](https://bit.ly/family-math-intro)

- For the next 2 weeks, make a plan to play at least 2 to 3 times per week. You can play more if you want to.
- Try to play for at least 20 minutes per play session, but you can play longer if you want to.
- You decide when, where, and how much you want to play.
- Play whichever game(s) you want!
- MIND would like to hear from you through the provided Game Play Diary, for each game play session. Email pictures of the diaries at [mathminds@mindresearch.org](mailto:mathminds@mindresearch.org)

**Enjoy the family game time!**
