

REACH EVERY STUDENT

ST Math is an effective tool to support Multi-tiered Systems of Support (MTSS), Response to Intervention (RTI), and Positive Behavior Intervention Supports (PBIS) models.

ST Math provides a research-based approach for both prevention (Tier 1) and intervention (Tiers 2 and 3). Blending individualized, 1:1 student learning in the uniquely accessible digital content with conventional teacher-facilitated classroom instruction, ST Math engages all students in problem solving and developing deep, conceptual understanding.

PBIS and Social Emotional Learning Embedded into ST Math:

- ✓ Accessible for all students
- ✓ Increases students confidence
- ✓ Fosters growth mindset
- ✓ Develops problem solving
- ✓ Establishes a safe learning environment

ST MATH TOOLS AND RESOURCES

Tier 1: ST Math Complements Core Instruction

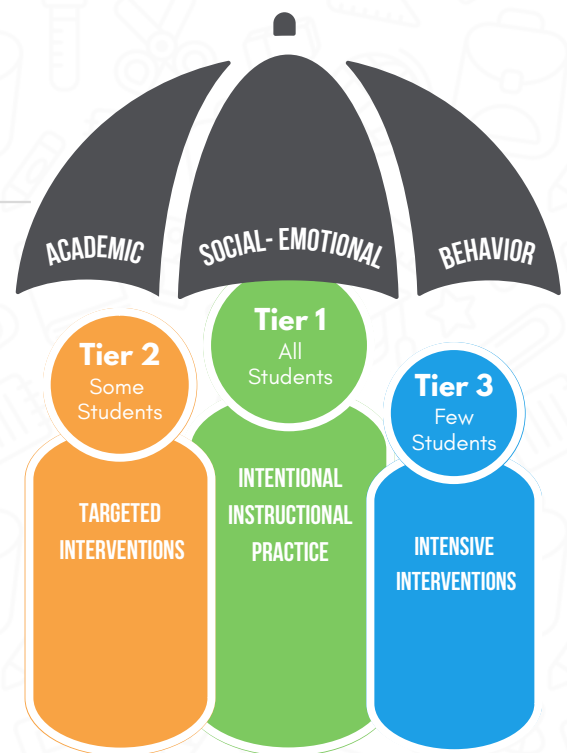

- **Journey** - Grade-level content for all students
- **Puzzle Talks** - Student-led academic discourse

Tier 2 and Tier 3:

ST Math Used During Designated Intervention Time

- **Data Reporting** - reports for monitoring
- **Tracking Tools** - promote student ownership of learning
- **Action Plans** - create data-driven plans
- **Facilitation Guides** - for one-to-one instruction
- **Assignments** - personalize instruction for individual students
- **Assessment Support Tool** - add-on for districts using NWEA (MAP Growth) or other compatible assessment providers
- **ST Math Powered by VIPTeacher** - high-impact tutoring solution for districts
